Brief Bio:

Aaron S. Kelly, Ph.D., is an Associate Professor of Pediatrics, the Minnesota American Legion and Auxiliary Chair in Children's Health, and Co-Director of the Center for Pediatric Obesity Medicine at the University of Minnesota. His primary interest is in the field of pediatric obesity medicine with research focusing on the clinical aspects of severe obesity. Dr. Kelly's research portfolio includes NIH-funded clinical trials of pharmacotherapy and behavioral therapy in adolescents with severe obesity. He is a Fellow of The Obesity Society and American Heart Association and has served in various leadership roles for these organizations and is the chair of the Minnesota Pediatric Obesity Consortium.
